

Public Notice of Proposed Finding of No Significant Impact

Portland Area Indian Health Service – Regional Specialty Referral Center Project 3700 Pacific Highway East, Fife, Washington

This notice is issued in accordance with Indian Health Service (IHS) National Environmental Policy Act (NEPA) policy and 40 C.F.R. §1501.6 to notify the public that the Portland Area IHS has reached a proposed Finding of No Significant Impact (FONSI) for a new specialty care clinic to be constructed in Fife, WA. An Environmental Assessment (EA) for the proposed action is available for public review for a period of 30 days from publication of this notice. This Environmental Assessment may be obtained electronically via the following QR code.

Comments will be received via email to:
Lehua Landeros, Administrative Support Clerk
Portland Area IHS
