FOR THE PUYALLUP INDIAN RESERVATION  
TACOMA, WASHINGTON**

In re:

COURT OPERATIONS UNDER THE  
EXIGENT CIRCUMSTANCES CREATED BY  
COVID-19 AND RELATED CORONAVIRUS.

**GENERAL ORDER NO. 2022-0001**

This General Order is being issued in response to the developing outbreak of Coronavirus Disease 2019 (COVID-19) because the Court finds that it is necessary to exercise an abundance of caution in mitigating the COVID-19 outbreak.

In response to the continued spread of COVID-19, Puyallup Tribal Council declared a public health emergency and issued guidelines restricting access to Tribal buildings, directing personnel to work remotely to the extent possible, and encouraging the practice of recommended preemptive measures to help mitigate the spread of COVID-19. Furthermore, Governor Inslee also declared a state of emergency, former President Trump declared a national emergency, and President Biden implemented a COVID-19 Preparedness Plan.

The Centers for Disease Control and Prevention (“CDC”) and other health authorities have advised people to take precautions to reduce the possibility of exposure to the COVID-19 virus and to slow the spread of the disease.

**ORDER**

Given the above-referenced guidance, and to protect the safety and health of all those entering and working in the Tribal Court, the Court ORDERS, effective immediately:
