

## Puyallup area of Crab Management Region 7 (catch reporting areas 28A and 28B)

The Puyallup area of crab management region 7 includes marine waters of Carr Inlet, Hale Passage, and Tacoma Narrows. This area is bordered:

- On the East at Tacoma Narrows bridge.
- On the South by an imaginary line extending from Gordon Point to Hyde Point and from Hogan Point to Mahnckes Point.

This area of crab management region 7 includes two separate catch reporting areas:

- \* Catch reporting area 28A
- \* Catch reporting area 28B = Northern portion of Carr Inlet bordered on the south by an imaginary line extending from Penrose Point to Green Point.
