I am requesting a "stop payment" be placed on the above referenced check and it be reissued to me for the following reason(s)

- I have lost the check
- I never received the check (and at least 10 days has passed since check was mailed)
- The check is expired

Please share any additional information to explain need for reissue:

I understand:

- The check can be reissued only after confirmation by the Accounting Department that the check has not been cashed.
- The reissued check may not be available for up to 10 business days after the request.
- The reissued check will be mailed to my permanent address on record. If I need to change my permanent address, I must do so before a new check can be issued with the Accounting Department or arrange for an in-person pick up.
- The original check cannot be cashed or deposited once this request is submitted.
- If I later gain possession of the original check, I must return it to the Accounting Department.
- Any attempt to cash or deposit or gift the original check is a crime and I may lose access to Tribal services up to one year. If this attempt resulted in an overpayment by the Tribe, I will be required to return overpaid funds, either in full or by payment agreement, before future Tribal services may be accessed for a period up to one year.
- Any attempt to provide false information or withhold information or otherwise defraud the Tribe, my actions may result in criminal prosecution of a Class B offense per Puyallup Tribal Code 5.12.670.
