RIVERSIDE FIRE AND RESCUE CORE VALUES
Professionalism, Accountability, Compassion,
Commitment, Integrity, Courtesy

Riverside Fire and Rescue is looking for motivated and committed men and women to join the ranks and become volunteer Firefighters and Emergency Medical Technicians! Bordering the Puyallup River and within minutes from Downtown Tacoma, Fife, and Puyallup; Riverside Fire and Rescue is called upon daily to save lives. Come join a team of passionate individuals and make a difference in your local community today! As a fully staffed station, volunteers are asked to pull four shifts a month, attend an intense fire academy, and other trainings during their first year of service. Graduates will walk away with multiple certifications, a desire to serve, and join the longstanding traditions of the fire service!
